COLLECTIBLE FIELD LOG / FREE SAMPLE

One card in Port Gellhorn

Use this one-stop search to try the field log. Bring up your collection first and see whether Side Effect (Blue) is already registered under Ed Comics Universe.

01 **Locate the trailer cluster.**

Find Dunk's Trailer on the Port Gellhorn map. In the cluster to its northwest, look for an enterable trailer near the center. Search the bedroom for the card.

02 **Check the card on this save.**

Open Progress, then Collections, then Collectible Cards. Find Ed Comics Universe and check the name and color. Record the status and a landmark you could recognize on another visit.

> **A useful return note**
>
> Start with the district, name the closest fixed landmark, then add the room. A note such as “Port Gellhorn, trailers northwest of Dunk's, bedroom” is easier to retrace than “near the trailer.”
